

The CVB operates two Official Visitor Information Centers in the area. Inside the lobby area of the Daytona International Speedway and in the showroom at Bruce Rossmeyer's Destination Daytona, these busy locations service hundreds of visitors (and locals alike) every day of the week. Local tourism related businesses may participate in the brochure distribution program at each location. Available rack spaces are 4x9, perfect for menus or rack cards. You can even attach a coupon or special offer that will serve as a way to track performance.

Each location is staffed with friendly and knowledgeable staff daily from 9 a.m. – 5 p.m. We invite you to stop by either location and chat with the staff and view for yourself the wide variety of restaurants, attractions and accommodations already taking advantage of this cost effective program.

The fee structure provides distribution at both locations for one annual fee.
