Daytona Beach Area Spotlights Fine Small Inns and B&Bs

Daytona Beach, Fla. – The Daytona Beach Area Convention and Visitors Bureau continues to promote its fine small properties with its Select Small Inns program, featuring fine small hotels, inns, beachfront cottages and bed and breakfasts in the greater Daytona Beach area.

The Daytona Beach Area CVB's *Visitors Guide* includes colorful photographs, as well as information on amenities and rates for the program's member properties. Each lodging listed in the guide has passed a stringent inspection and met quality assurance standards for personalized service, housekeeping, comfort, and welcoming ambiance. To be considered for the program, a property must have no more than 100 rooms and be licensed by the Florida State Department of Business Regulation.

Featured in the program's offerings is The Villa Bed & Breakfast, a recent winner of Florida Superior Small Lodging's coveted White Gloves Award for superior housekeeping.
